Day of Pentecost

O LORD, how manifold are your works! ... The earth is full of your creatures. Yonder is the sea, great and wide, creeping things innumerable are there, living things both small and great.

PSALM 104:24, 25

Discipleship Snippet

We sometimes forget that animals, fish, birds, insects and reptiles are also creations of God that need to live. As stewards of creation, we honor all living things and work to ensure that they, like us, have safe, clean, abundant habitat.

SOLAR PANELS FOR UKRAINE

The Rotary Club of Lander, Wyoming is converting solar panels to phone chargers for the people of Ukraine, where the power grid has been extensively damaged and cell phones are vital to schools, hospitals, and defense units in resistance to the Russian invasion. The cost to convert and ship one small solar panel to charge four cell phones is approximately \$150. 100% of our donations will be used to purchase, convert, and ship solar panel phone chargers to Ukraine. Before the panels are shipped, we'll have an opportunity to write messages of support and encouragement to the people of Ukraine on the back of the panels.

Ways to donate:

- Give a check to the church with the memo line "Ukraine"
- Mail a check with the memo line "Ukraine" to:

COMMUNITY MEAL AT LUMC

Please join your fellow members in volunteering for the Good Samaritan Community Meal at the Methodist Church on the **third Friday** of the month! This is great way to serve those in our community who need and appreciate a warm and nutritious meal. The link to sign-up to volunteer will be included in Faith Weekly the week before. Volunteers are needed to cook, serve and clean-up.

LOR FOUNDATION WOOD STORAGE DONATION

The LOR foundation has very generously donated funds to purchase a new storage container to contain our emergency firewood. When it arrives later in the summer Melissa Strickler will beautify the container with her own artwork. Stayed tuned!
